

## Homage to the Body, Speech, Mind, Qualities, and Activities of the Drigung Kyabgon

Homage, Precious Lama,  
our perfect refuge and our guide.  
We honor you with heartfelt praise  
and offer you this prayer:

Homage, Precious Lama,  
perfect form of Buddha's kaya,  
splendid ornament of beings.  
May your life be ever firm.  
May you always stay near us  
for kalpas without end!

Homage, Precious Lama.  
Victory banners raised above you,  
men and devas sing your glory,  
rainbows dance and conches sound.  
May your teachings never cease  
for kalpas without end.

Homage, Precious Lama,  
blazing lamp of the assembly,  
shining star of the mandala.  
May your wisdom light dispel  
all the suffering in the land  
for kalpas without end.

Homage, Precious Lama,  
excellence beyond expression,  
unchanging source of all that's good,  
perfect peak of humankind.  
Vajradhara, dwell with us  
for kalpas without end.

Homage Precious Lama,  
who thinks constantly of others  
and works only for their welfare.  
May your actions never wane,  
your footsteps never falter  
for kalpas without end.
